

*Care*  
for women across  
the world who are  
suffering from violence,  
sexual exploitation,  
domestic abuse,  
or war.

*Ask*  
that leaders  
around the world  
play their part  
to promote justice  
and equality.

*Pray*  
for the powerless  
in the world,  
that they may  
be empowered  
and no longer  
oppressed.

*Imagine*  
one strong global  
voice emerging,  
ending abuses against  
women.

*May Love and Light Prevail*
